Optoelettronica Italia declares and certifies that its products are compliant according to RoHS2 directive on the restriction of the use of certain hazardous substances into electrical and electronic equipments.

None of the listed substances are used above the restricted volume of total composition:

Lead 0,1%

Mercury 0,1%

Cadmium 0.01%

hexavalent Chromium 0.1%

Polibrominated Bhyphenil PBBs 0,1%

Polibrominated Bhyphenilethers PBDEs 0,1%

This declaration is based on the information received by the suppliers of production's materials.

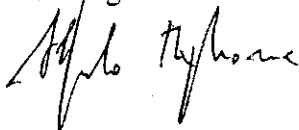

RoHS2 compliance is related also to delivery materials.
